GARDEN ETIQUETTE

When visiting the gardens, please respect the uniqueness of the plant collection and the history of the facility by following these simple rules:

- It is prohibited to disturb any part of the plant collection including seed collecting, fruit or flower picking.
- Do not step into planted beds.
- Do not place or throw coins into the fountain or pond.
- Be considerate of all other visitors and Hotel guests to the gardens.
- Photography session organizer(s) and attendees are required to pick up and remove all garbage from gardens and place in proper receptacles at the rear of the Hotel property. The Hotel reserves the right to charge an additional fee if excessive cleanup is required.
- Smoking is not permitted in the gardens

DECORATIONS At the discretion of the Hotel, minimal decorations are supported in the gardens. Please do not tie or tape any materials to trees and plants. Glitter, confetti, bubbles and rice are not permitted in the gardens. Advance drop off of any materials is not permitted. No storage is available onsite and extra costs may be incurred for items left before or after permitted booking time.

PARKING Parking is available at the rear of the Mansion on the gravel lot and is wheelchair accessible

DAMAGE All photography sessions will undergo a pre and post inspection. Damage incurred to the gardens as a result of the session will result in additional fees charged at its appraised value and man-hours used for excessive clean-up.

EQUIPMENT The Hotel has no extension cords or photography props to lend out.

GARDEN BED DISPLAY The Hotel cannot guarantee the existing garden display from the time of your initial viewing until your photography session. Plantings are seasonal and may change.
